A 20x20 grid of dots. In the center, there is a 4x4 square of dots. This central square is surrounded by a single layer of dots, forming a larger square shape. The overall pattern is a 20x20 grid of dots with a 4x4 square of dots in the center.

A large sheet of dot grid paper. It features a grid of small dots arranged in rows and columns. A central column of dots is slightly larger and more prominent than the others. The dots are black on a white background. The grid is composed of 20 columns and 30 rows of dots. The central column is the 10th column from the left. The dots in the central column are slightly larger than the others. The grid is used for writing and drawing.

[illegible]

This image shows a full page of dot grid paper. The dots are arranged in a precise, repeating grid pattern across the entire surface. There are no margins, text, or other markings present.
